私たちについて About Us

Wagyu. Sushi. Magnums.

Shinji is a modern Japanese steakhouse built around the belief that great dining begins with exceptional ingredients, thoughtful hospitality, and the shared experience of gathering around the table.

Inspired by Japan's deep respect for craftsmanship, we source world-class beef directly from Himeji & Kobe, pristine seafood, and seasonal ingredients, preparing them with precision and restraint to let their quality speak for itself.

Blending the precision of Japanese culinary tradition with a vibrant and contemporary dining experience, Shinji is designed for celebrations, long dinners, and unforgettable nights shared with family and friends.
